

Salopian Club e-bulletin February 2018

From the Director

As the Beast from the East with its icy temperatures approaches the banks of the Severn, our thoughts turn quickly to our spring programme! In sport we look forward to the imminent arrival at the School of the OS Squash, Basketball and Football Veteran teams and wish the best of luck to our Sabrina crew on the Thames on Sunday 11 March (and the School crews the following day) and our golfers in the forthcoming Halford Hewitt in April. In the regions there are still just a very few places left at the ever popular Birmingham Dinner on Thursday 8 March, and OS Mancunians are gathering for an informal drink in Manchester the following day. Salopians are also gathering in Dubai on Friday 16 March, and the President's Dinner in Wadham College, Oxford, on Friday 13 April reports a full house. Over the next few weeks there is much to look forward to.

Floreat Salopia.
