

From the Director

In the face of the grim news from Eastern Europe, we must count ourselves fortunate that Salopian Club activities are beginning to revive after the pandemic. There have been a number of well attended social events, our sports clubs are in good heart, some fascinating arts events are planned, and (petrol prices permitting) Salopian Drivers' Club members have their foot ready on the accelerator. An increasing number of Salopians are benefitting from Salopian contacts on OS Connect (free access via the School/Old Salopian website) either socially or in furtherance of their careers; do consider joining.

Floreat Salopla.
