

From the Director

At long last conditions have enabled Salopian activities to bounce back with a vengeance. The Salopian Drivers' Club has been out on the roads, we have resumed competitive fixtures in cricket, football, golf and rugby amongst others, and there have been social gatherings in London, Henley and Devon. Old Salopian Day (including the Ridgemount Centenary) on Saturday 9th October is open to all OS, and we very much hope to see as many of you as possible.

Floreat Salopia.
