SHREWSBURY ROWING COURSES

Spend a week at one of the most prestigious rowing schools in the UK.

Shrewsbury School is a co-educational boarding school established in 1552. It is an integral part of the historic town of Shrewsbury, surrounded by the beautiful Shropshire countryside.

Rowing was established at the School before 1860 and in 2012 a state-of-the-art Boat House was opened. The boat houses, situated on the River Severn are only a short walk from the Main School Building, within the campus.

Excellent training facilities include a range of over 100 boats, a large area for rowing machines and circuit training. An indoor rowing tank allows up to eight students to train together regardless of weather conditions.

Day Camp: 7th - 11th August 2017

Residential Week: 13th - 19th August 2017

Feedback from parents

“Thank you for arranging such an amazing week. Mungo tells me it was the best week of his life!”

“Katie had an amazing time and hasn't stopped talking since she arrived home! From my side the organisation was seamless and I especially enjoyed the daily Dropbox photos.”

“Thomas has absolutely loved his time with you... and has gained so much confidence during the course. He's made some lovely friends, enjoyed the boarding and the fun and games. The week has been one of the highlights of his summer.”

Residential Week

Students live on campus in one of the School's boarding houses and this forms a base for social activities. Some additional activities on offer will be bubble football, tennis, kayaking, and team games.

All meals and activities are included and we will be aiming for two outings on the river per day. Students will be grouped according to ability and use a variety of boats from singles, doubles, quads and octuples. Students with previous experience will work to develop the skills necessary to progress further in the sport.

Day Camp

Monday to Friday 9am to 4pm. Beginners will start on rowing machines and in the indoor tank, progressing onto the water when confident. Experienced rowers will be grouped together and the course will be tailored to their needs. Students will need to bring a packed lunch and drinks each day.

Open to boys and girls 11-16 years

No experience necessary. 11 year olds are accepted if they are very confident and happy to participate in this very physical sport.
