13+ DESIGN & TECHNOLOGY SCHOLARSHIP NOTES FOR ENTRY IN SEPTEMBER 2022

Evaluation day: Monday 7th March 2022

Deadline for Entry: Tuesday 1st February 2022

SCHOLARSHIPS FOR AWARD

A small number of D&T Scholarships are awarded annually. Most scholarships carry fee remission of 10%, although larger awards are sometimes made.

CONDITIONS

Candidates must be registered for entry into the Third Form in September 2022. Please contact the Admissions Office on **01743 280552** (email: admissions@shrewsbury.org.uk) for a Registration Form if you have not yet registered your son or daughter for Shrewsbury School.

The winner of a D&T Scholarship must also reach a satisfactory standard in the Common Entrance, the Academic Scholarship Examination or our 13+ Entrance exams before entering the School.

A D&T Scholar holds their award for five years, provided their conduct and progress are satisfactory, and that they continue to contribute fully to D&T in the School.

ASSESSMENT

Candidates will be required to attend the evaluation day at Shrewsbury School.

1. APTITUDE TEST:

Potential scholars will sit an aptitude paper to examine their capability to design under examination conditions; producing justified solutions to design problems. Key areas of assessment will include: clarity of the communication of concepts – including sketching capability, creativity and innovation; justification of solutions – annotation reinforcing and demonstrating appropriate use of function, materials and construction techniques, alongside an ability to think critically.

2. INTERVIEW & REVIEW OF PORTFOLIO OF WORK:

Potential scholars will also be interviewed by the Head of Faculty and will be expected to bring a portfolio of evidence of work conducted. The portfolio should endeavour to demonstrate their ability to handle the rigour of the design process. The work could be a design activity conducted either in and/or out of school. Practical outcomes need not be brought, unless candidates wish to, but breadth of practical and material experiences should be recorded in their overall portfolio of work.
