---

Dear all,

The L6<sup>th</sup> and 5<sup>th</sup> Forms should now be fully engaged with exploring the various options for the next step, be it university, other routes or what subjects to take in the Sixth Form. U6<sup>th</sup> Formers interested in other routes will hopefully be switched on to what's out there. Plenty of help is available.

## School Talks & Events:

- **Friday 15<sup>th</sup> February 1pm-4pm: University & Gap Year Fair, Alington Hall** – over 50 universities and Gap Year providers will be on hand to offer an insight to their institutions and answer any questions. All most welcome.

## Apprenticeships:

*These opportunities have not been vetted by anyone at Shrewsbury and have been selected as they may be of interest and have been sent to the Careers team. If you do have any feedback on them, I would be very glad to hear it. Any permission for missing school will need to be sought in the usual way.*

## Universities & Careers updates:

It is interesting to read that Nottingham University has decided to stop giving out unconditional offers from September. Read more [here](#).

Remember that the Careers Library is open every day and has a wide range of resources for all potential paths. Individual appointments are available by emailing me – the best days are Wednesday and Friday.

Best wishes,

Mr Percival
