Dear Parent,

## **MOUTHGUARD**

At Shrewsbury we strongly recommend that any pupil who plays rugby football or hockey should wear a mouthguard that has been fitted by a dentist or by a company specialising in the provision of mouthguards. We are concerned that the "self-fitting" mouthguards are not of a sufficient standard to be worn by pupils on a regular basis.

We are able to offer this service on site with impressions for mouldings being taken in the School's Sanatorium. All mouthguards will be labelled, boxed and conform to current E.C. standards. The price will be in the region of £45, depending on colour scheme. The cost will be added to the Lent Term bill.

If you wish your son to use this service please return the proforma to the address below before Monday 30<sup>th</sup> September. More details will be given to your son in due course.

Yours sincerely,

---
