Headmaster's Welcome

Having moved to Shropshire with my wife and young family in 2018, I can speak with first-hand experience of the warmth of welcome offered by the School community and indeed within the town of Shrewsbury. It really is a friendly, gentle yet invigorating place to live and work.

The School's 110 acres have the feel of a village gathered around a green. Stunning architecture complements the natural beauty of ancient trees and open spaces that are meticulously maintained. We wholeheartedly believe that children and staff alike respond to the inspiration of their surroundings. There can surely be fewer more uplifting places in which to live and learn. Staff morale is high and there is a shared sense of purpose which is energising. The pupils are a diverse crowd who are united by a willingness to participate and enjoy all that the School has to offer. We have an excellent staff development programme ensuring that colleagues are stimulated to keep growing as professionals.

Above all, it is a community where the individual is celebrated and encouraged to become the fullest and best version of her or himself: this goes as much for the staff as it does the children in our care.

Thank you for your interest in Shrewsbury School. I hope that this document will encourage you to go ahead with an application that may lead to your joining this unique and vibrant school community.

Welcome to Shrewsbury Family of Schools

Shrewsbury School, Independent School of the Year 2020, has a world-class reputation for all-round excellence. Fully co-educational, with a seven-day boarding heartbeat and an integral day community, the School delivers a dynamic education that develops the abilities and enthusiasms of each and every pupil.

Founded by Royal Charter in 1552, Shrewsbury School is one of the 'great' nine schools in England identified by the Clarendon Commission of 1861. The School moved to its current location in 1882. Over the centuries it has grown in size and reputation. Girls first joined the Sixth Form in 2008 and it is now ranked amongst the leading co-educational boarding schools in the world, educating around 850 pupils aged 13-18 years.

Shrewsbury delivers a programme of academic learning that is exciting, challenging, responsive and versatile. On the School's breath-taking 110-acre site on the banks of the River Severn, pupils also have the opportunity to participate in a wide range of sporting, music, drama and co-curricular activities, as well as being encouraged to engage in adventure and charitable endeavour.

In recent years Shrewsbury has embarked upon building a thriving prep school community, starting with Packwood Prep School, which became part of the Shrewsbury family of Schools in 2019, and latterly joined by Terra Nova School and Prestfelde School in 2025. All are co-educational, boarding and day schools for pupils aged 3-13, affording prospective Shrewsbury School pupils a range of early entry points to the Shrewsbury family. We have a thriving pupil roll of 1,500 with over 700 staff colleagues.

The Shrewsbury family of Schools work collaboratively, pursuing a shared vision and high standards of excellence in whole pupil education.

Shrewsbury School is a registered charity with a number of wholly owned trading companies. The Shrewsbury family of Schools has an annual income of over £40m and a staff of over 700. It is overseen by a Governing Body which has up to 19 members. The Governing Body and its Committees meet once a term.

Our Ethos

Shrewsbury School has a strong vision, derived from our position as a major co-educational boarding and day school of international reputation.

A Shrewsbury education will educate and empower each individual pupil to flourish in life and contribute positively to the world around them.

Shrewsbury offers a unique whole person education – Floreat – that fosters learning and personal development in four vital and mutually reinforcing fields: the intellectual; the active; the expressive and the reflective. Through this distinctive model of education Shrewsbury promotes the Six Salopian Virtues: wisdom; kindness; courage; integrity; self-mastery and spirit.

As a learning community, the School pursues academic knowledge, wisdom and truth with the aim of developing the ‘cultural capital’ of each child and instilling character strengths, aptitudes and vital life skills, such as resilience and resourcefulness. The individual is able to flourish whilst also pursuing communal values, social responsibility and a willingness to contribute positively to the wider world.

Academic Life at Shrewsbury

Academic life focuses on developing intellectually curious young adults who are able to think critically and creatively, have the confidence to question and to challenge and are equipped with the skills that they will need to thrive at all stages of life.

In recent years, around 5% of our leavers have gone on to Oxford and Cambridge and virtually all have taken up places at the university of their first choice. We expect about 80% of A Levels each year to be passed at A*, A or B grade. But there is as much joy for pupils who surpass his or her expectations as there is for the pupil whose progress to top grades always seemed more certain. Our Summer 2025 results and destinations are summarised below.

Support Staff at Shrewsbury

Support staff provide management and operational support, in various careers, to ensure that the Schools in our family function effectively and are able to deliver an exceptional level of whole person education to our pupils.

Whether this is maintaining our grounds, the upkeep of our estate, managing our finances, supporting and developing our staff, ensuring our classrooms and houses are clean and safe; our staff are always supporting our pupils and parents in whatever way they can and they are incredibly passionate and proud of the work they do.

Shrewsbury delights in the uniqueness of its education; a blend of values, traditions, and inspiring people. Our staff are our greatest asset with both teaching and operational staff inspiring our pupils through their dedicated professional support.

Kingsland House

Pastoral Life at Shrewsbury

The unique, friendly yet respectful atmosphere between staff and students plays a crucial part in establishing the character of Salopians and the School. Together we are a highly supportive community. The House system (7 boys' Houses and 5 girls' Houses) is at the heart of Shrewsbury School.

The House is a Salopian's centre of gravity, a real home from home, somewhere to relax and make friends, as well as work. In addition to their Housemaster or Housemistress, each pupil has a personal tutor who is also attached to the House and will be involved in a duty evening plus helping out with house events and trips.

Co-Curricular Life at Shrewsbury

We want all our pupils, whatever their ability, to enjoy their life beyond the classroom, and Shrewsbury has a well-earned reputation for artistic, musical and sporting excellence.

We compete internationally in cricket and rowing, and we are one of the strongest schools in the country for football, cross-country running and fives. Facilities and coaching for these - and a host of other sports including badminton, basketball, tennis, fencing, lacrosse, hockey, netball, and rugby - are excellent.

Our school plays and musicals have drawn praise at the Edinburgh Fringe Festival and in London. As one would expect from one of the strongest music departments in the country, the breadth and quality of music making is remarkable, and a number of pupils win places at some of the top music colleges each year.

We also offer our pupils an extraordinary array of clubs, societies and other co-curricular activities, many of which take place on a dedicated weekly activity afternoon. The majority are led by members of school staff.

Shrewsbury is surrounded by glorious unspoiled countryside and the School makes the most of its easy access to the Shropshire Hills, the Welsh Marches and Snowdonia, as well as easy access to Birmingham and Manchester.

International Links

At Shrewsbury School we delight in playing our part in developing outstanding schools around the world. Our first international school opened in Bangkok back in 2003 and has become the benchmark for quality education in the city and the wider region.

So successful has the venture been that we opened a second campus in Bangkok in 2018 to keep up with demand, while at the same time opening a new school in Hong Kong. In 2021, Shrewsbury signed an agreement for a new premium international school launched in Phnom Penh, Cambodia and in 2025 Shrewsbury International School India opened. Plans are afoot to open further international schools in the coming years.

The Shrewsbury family of Schools share commitment to encouraging intellectual curiosity and respecting diversity and have formed a close and effective partnership over the years. We exchange best practice and perspectives from our own operating contexts via regular staff visits and via Governors who sit on the Boards of the international schools. Over the years Shrewsbury UK graduates have visited Bangkok to enjoy gap year opportunities there.
