

EQUAL OPPORTUNITIES POLICY

This policy should be read in conjunction with various other School policies including: the SEN and Learning Difficulties Policy with accompanying Accessibility Plan, the Boarding Principles and Practices document, the Anti-Bullying Policy, EAL Policy, Pupil Behaviour Policy, the Complaints Procedure Pupils, the Child Protection and Safeguarding Policy and the school's Yellow Card, all of which are available to parents upon request.

Shrewsbury is committed to safeguarding and promoting the welfare of all pupils in our care and our ethos is positive and inclusive. It is acceptance rather than tolerance that underpins our vision of boarding life and Salopians are taught to celebrate and appreciate diversity. Kindness, care and unconditional respect lie at the very fabric of community life. The School is committed to securing equitable opportunity through the creation of an environment in which individuals are treated on the sole basis of their respective merits and abilities. This commitment is shared by all members of staff and Governors.

Discrimination based on differences in sexual orientation, sex, religion or belief, race, pregnancy or maternity, marriage or civil partnership, gender re-assignment, disability or age is not tolerated at Shrewsbury. We are an academically selective school and we believe that the educational experience is enriched if children are exposed to a wide range of cultural experiences. Generous bursaries are available so that as many pupils as possible who meet the School's admissions criteria are able to attend.

The School views discrimination as a serious offence, be it by a pupil or a member of staff. Where pupils are suspected of discrimination the matter will be investigated in accordance with published guidelines in the Anti-Bullying Policy. Where appropriate the School will apply sanctions in line with those for serious acts of bullying. This may include suspension or in grave circumstances a pupil may be required to leave the school. Where a member of staff is subject to such an allegation the procedures outlined in the Staff Code of Conduct, Disciplinary Policy and Complaints Procedures will be followed.

As a school we appreciate the importance of providing an appropriately challenging, stimulating, enriching and enjoyable educational experience for all pupils. Shrewsbury School acknowledges its responsibilities set out both in law and also in recognised best practice within the educational sector. Pupils who have been identified as having a particular / special educational need are supported, included and valued within the school community. We undertake to work with all members of the school community, as well as external agencies where appropriate, to ensure that any form of discriminatory behaviour is treated seriously and that appropriate action is taken as and when required.

The following policy document has been produced in line with the guidelines provided in The Equality Act 2010 and the National Minimum Standards for Boarding Schools 2022.

Pupils

Shrewsbury School implements the above principles in a variety of ways including the following;

- The policy is known and understood by staff, pupils and parents. It is available on the staff area of the intranet as well as on the school website.
- Matters relating to this topic are regularly reviewed at Leadership Team meetings and associated policy documents are updated annually.

- The Learning Support department actively monitors the learning patterns of those pupils with specific learning differences. Where appropriate, the School may call upon a range of external specialists to provide additional guidance and support.
- Equal Opportunity matters are regularly discussed in House tutor group meetings and are also covered in whole staff INSET.
- The Headmaster refers to related matters in whole-school Assemblies and HSMs discuss them at House meetings which pupils attend.
- The Tutor programme encourages pupils to discuss a wide range of issues relating to discrimination and prejudice.
- The School Praepostors are able to raise any concerns with the Headmaster, Senior Deputy Head or Deputy Head Pastoral.
- The School and House Councils provide forums for pupils to discuss any issues that may be concerning them.
- The Chaplain uses a variety of stimulus material to discuss contemporary issues through chapel services.
- The message of equal opportunities is regularly covered in the classroom setting most notably through the School's PSD programme.
- Monitoring the needs of individual pupils through effective pastoral care is central to our approach. In its broadest sense this involves all members of the teaching staff although the role of HSM and tutors is crucial.
- Support staff also have a role to play and House matrons in particular are actively involved in this key area of education.
