Headmaster's Welcome

Having moved to Shropshire with my wife and young family in 2018, I can speak with first-hand experience of the warmth of welcome offered by the School community and indeed within the town of Shrewsbury. It really is a friendly, gentle yet invigorating place to live and work.

The School's 110 acres have the feel of a village gathered around a green. Stunning architecture complements the natural beauty of ancient trees and open spaces that are meticulously maintained. We wholeheartedly believe that children and staff alike respond to the inspiration of their surroundings. There can surely be fewer more uplifting places in which to live and learn. Staff morale is high and there is a shared sense of purpose which is energising. The pupils are a diverse crowd who are united by a willingness to participate and enjoy all that the School has to offer. We have an excellent staff development programme ensuring that colleagues are stimulated to keep growing as professionals.

Above all, it is a community where the individual is celebrated and encouraged to become the fullest and best version of her or himself: this goes as much for the staff as it does the children in our care.

Thank you for your interest in Shrewsbury School. I hope that this document will encourage you to go ahead with an application that may lead to your joining this unique and vibrant school community.

Welcome to Shrewsbury School

Shrewsbury School, Independent School of the Year 2020, has a world-class reputation for all-round excellence. Fully co-educational, with a seven-day boarding heartbeat and an integral day community, the School delivers a dynamic education that develops the abilities and enthusiasms of each and every pupil.

Founded by Royal Charter in 1552, Shrewsbury School is one of the 'great' nine schools in England identified by the Clarendon Commission of 1861. The School moved to its current location in 1882. Over the centuries it has grown in size and reputation. Girls first joined the Sixth Form in 2008 and Shrewsbury is now ranked amongst the leading co-educational boarding schools in the world, educating around 850 pupils aged 13-18 years.

Shrewsbury delivers a programme of academic learning that is exciting, challenging, responsive and versatile. On the School's breath-taking 110-acre site on the banks of the River Severn, pupils also have the opportunity to participate in a wide range of sporting, music, drama and co-curricular activities, as well as being encouraged to engage in adventure and charitable endeavour.

Shrewsbury School is committed to a seven-day full boarding model that benefits from a local day element. The School offers only one kind of boarding: full boarding, with nearly 80% of the school roll being full boarders and around 20% holding non-UK passports.

Packwood Haugh Prep School became part of the Shrewsbury family of Schools in 2019, and was joined by Terra Nova School and Prestfelde School in 2025. All are co-educational, boarding and day schools for pupils aged 3-13, affording prospective Shrewsbury School pupils a range of early entry points to the Shrewsbury family.

Shrewsbury is a registered charity with a number of wholly owned trading companies, an annual income of over £40m and a staff of over 400. It is overseen by a Governing Body which has up to 19 members. The Governing Body and its Committees meet once a term.

Recent years have seen an ambitious programme of new buildings and refurbishment projects. The fully refurbished Barnes Theatre, recently opened by Sir Michael Palin, Old Salopian, with additional new teaching facilities for Drama and Dance. The building of a fifth girls' House (Queen Elizabeth Hall) was completed and opened in September 2023, along with two new all-weather sports pitches. A full refurbishment of Rigg's Hall, one of our boys' Houses, completed in 2022, and refurbishment projects of Churchill's and Ingram's Hall completed in 2023.

Teacher of Chemistry

Shrewsbury seeks to appoint a full-time teacher of Chemistry to teach at all levels in the School in a successful, supportive and collaborative Faculty. The post would be ideal for an experienced qualified teacher or someone new to the profession looking to gain initial experience, key skills and knowledge in one of the country's leading boarding schools. Candidates should be willing to participate in the School's thriving pastoral and co-curricular programmes.

The sciences at Shrewsbury have a reputation for excellence and are among the most popular subjects in the School. We have nine full-time Chemistry teachers who work alongside two full-time lab technicians in seven full-size laboratories. The Faculty is well resourced with the latest classroom technology, practical resources and educational software.

All pupils take science to GCSE level and every year approximately 50 pupils choose to take Chemistry A Level. Public Examination results are excellent, and many pupils continue their scientific learning beyond school, enrolling at the world's best universities, including Oxford and Cambridge, in degree courses such as Chemistry, Biochemistry, Chemical Engineering, Materials Science, Natural Sciences, Medicine, and Biological Sciences.

A rich and varied co-curricular programme supports these academic studies, including the STEM Society, Darwin Society, Medical Society, Natural History Society and the Bee-keeping society. The School has a history of supporting pupils to success in various external competitions, for example in the Chemistry Olympiad and the Cambridge Chemistry Challenge.

A full induction programme is provided for all new members of staff, in addition to a programme of continuous professional development. The salary for the post is competitive, and accommodation may be available. All new members of staff are issued with a touch screen laptop device to assist their teaching.

Shrewsbury School is committed to safeguarding and promoting the welfare of children and young people, and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service.

Job Description

Teachers of Chemistry report to the Head of Chemistry and are expected to deliver the subject to an exceptional level across all year groups (Years 9-13), helping pupils to cultivate confidence, knowledge and understanding in all areas of the subject. The successful candidate will take on the following responsibilities:

Classroom Teaching

- Teaching a full-time lesson allocation per week (a reduced timetable would apply initially for those new to the profession). The distribution of these lessons across year-groups will be at the discretion of the Head of Faculty and the Deputy Head (Academic).
- Undertake occasional additional teaching duties (e.g. the delivery of the Extended Project Qualification, or Supervised Study) as directed by the Deputy Head (Academic).
- Plan and deliver excellent lessons, consistent with the published schemes of work, and faculty and school policies which engage and inspire pupils of all levels to make outstanding academic progress.
- Adapt the planning and delivery of lessons to ensure that all pupils are able make good progress.
- Set high expectations of classroom behaviour and maintain a classroom environment which is safe, stimulating and within which the positive attitudes, values and behaviour expected of pupils are consistently modelled.
- Continuously evaluate and refine teaching to improve the pupil learning experience.
- Model the highest standards of literacy in spoken and written communications.
- Liaise effectively with the pastoral teams to ensure that any pupil's progress can be seen in full context of their wider school life.
- Use school ICT equipment and systems confidently to support learning.

Assessment & Reporting

- Take responsibility for pupils' ongoing attainment, progress and final outcomes.
- Mark work regularly (in accordance with the Faculty and School marking policy) and use assessment and feedback as a means of giving pupils an opportunity for reflection as well as to inform the planning of future sessions.
- Write academic reports according to the published schedule and guidance and contribute marks to Faculty mark books and tracking documents as directed by the Head of Faculty.
- Attend Parent Consultation meetings for all pupils taught each year.

Wider Professional Responsibilities

- Supply cover teaching for colleagues within the Faculty and the whole school as required.
- Assist with super-curricular Faculty activities (e.g. trips, societies, clinics) and Faculty meetings as directed by the Head of Faculty.
- Engage thoroughly with all processes of induction and the Individual Development Plan process.
- Assist with School Partnership and Community Engagement projects and Admissions events as required.

Pastoral and Co-Curricular

- Play a significant role in both the pastoral and co-curricular life of the school.

Safeguarding

- Shrewsbury School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
- The postholder must comply with the School's Safeguarding & Child Protection policy at all times.
- The postholder must undergo Safeguarding & Child Protection training as directed by their Line Manager.

These duties are illustrative. Shrewsbury School reserves the right to alter the content of this job description, after consultation and consistent with the level of responsibility of this role, to reflect the school's changing demands.

Person Specification

It is anticipated that the successful candidate will demonstrate the following:

Subject knowledge

- Good undergraduate degree in Chemistry or a closely related subject (applications are welcome from current final-year university students).
- The ability to deliver stimulating, well-planned lessons.
- Subject knowledge in Chemistry to challenge able pupils.

Pastoral and co-curricular duties

- Commitment to boarding school life and the ability to carry out the role of tutor effectively.
- Professional, yet caring and compassionate approach to working with pupils. Willingness to be involved in a range of co-curricular activities.

Personal qualities

- Excellent communication skills (oral and written) for dealing with pupils, parents and colleagues.
- Conscientiousness, enthusiasm, and the ability to sustain term time hours, including some evenings and weekends.
- Ability to work independently and in a team.
- Ability to develop a rapport with pupils throughout the School. Strong organisational skills, and the ability to meet deadlines.
- A positive attitude towards professional development and their own learning.

Suitability to work with children

- Shrewsbury School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
- The postholder must comply with the School's Safeguarding & Child Protection Policy at all times.
- The postholder must undergo Safeguarding & Child Protection training as directed by their Line Manager and the Designated Safeguarding Lead.
- An enhanced Disclosure & Barring Service check will be completed on the successful applicant.

Our Ethos

Shrewsbury School has a strong vision, derived from our position as a major co-educational boarding and day school of international reputation.

A Shrewsbury education will educate and empower each individual pupil to flourish in life and contribute positively to the world around them.

Shrewsbury offers a unique whole person education – Floreat – that fosters learning and personal development in four vital and mutually reinforcing fields: the intellectual; the active; the expressive and the reflective. Through this distinctive model of education Shrewsbury promotes the Six Salopian Virtues: wisdom; kindness; courage; integrity; self-mastery and spirit.

As a learning community, the School pursues academic knowledge, wisdom and truth with the aim of developing the 'cultural capital' of each child and instilling character strengths, aptitudes and vital life skills, such as resilience and resourcefulness. The individual is able to flourish whilst also pursuing communal values, social responsibility and a willingness to contribute positively to the wider world.

Academic Life at Shrewsbury

Academic life focuses on developing intellectually curious young adults who are able to think critically and creatively, have the confidence to question and to challenge and are equipped with the skills that they will need to thrive at all stages of life.

In recent years, around 5% of our leavers have gone on to Oxford and Cambridge and virtually all have taken up places at the university of their first choice. We expect about 80% of A Levels each year to be passed at A*, A or B grade. But there is as much joy for pupils who surpass his or her expectations as there is for the pupil whose progress to top grades always seemed more certain. Our Summer 2025 results and destinations are summarised below.

2025 Public Examination Results at Shrewsbury

Teaching at Shrewsbury

Shrewsbury's academic provision endeavours to be exciting, challenging, responsive and versatile. Periods are 40 minutes long and there are between 5 and 8 of these each day, including Saturdays. Monday, Wednesday, Thursday and Saturday afternoons are dedicated to Sport and Activities.

We employ around 140 teachers across the range of subjects. We accept Early Career Teachers (ECTs) as well as recent graduates – all appointments are based on ability in the classroom and outcomes of the interview process. We support unqualified teachers through the PGCE and also those wishing to complete their ECT induction.

All new members of staff are given a comprehensive programme of induction to help familiarise them with Shrewsbury life. Their academic and buddy mentors are there to assist the transition to Salopian life and support them both professionally and personally.

Shrewsbury School is committed to the Continuous Professional Development (CPD) of its staff. INSET takes place at the beginning of each term with academic and pastoral themes being covered. Time is dedicated to the sharing of good practice and ideas in faculty meetings and individual training needs are identified both informally and through the formal Individual Development Plan process.

Pastoral Life at Shrewsbury

The unique, friendly yet respectful atmosphere between staff and pupils plays a crucial part in establishing the character of Salopians and the School. Together we are a highly supportive community. The House system (7 boys' Houses and 5 girls' Houses) is at the heart of Shrewsbury School.

The House is a Salopian's centre of gravity, a real home from home, somewhere to relax and make friends, as well as work. In addition to their Housemaster or Housemistress, each pupil has a personal tutor who is also attached to the House and will be involved in a duty evening plus helping with house events and trips.

Co-Curricular Life at Shrewsbury

We want all our pupils, whatever their ability, to enjoy their life beyond the classroom, and Shrewsbury has a well-earned reputation for artistic, musical and sporting excellence.

We compete internationally in cricket and rowing, and we are one of the strongest schools in the country for football, cross-country running and fives. Facilities and coaching for these - and a host of other sports including badminton, basketball, tennis, fencing, lacrosse, hockey, netball, and rugby - are excellent.

Our school plays and musicals have drawn praise at the Edinburgh Fringe Festival and in London. As one would expect from one of the strongest music departments in the country, the breadth and quality of music making is remarkable, and a number of pupils win places at some of the top music colleges each year.

We also offer our pupils an extraordinary array of clubs, societies and other co-curricular activities, many of which take place on a dedicated weekly activity afternoon. The majority are led by members of school staff.

Shrewsbury is surrounded by glorious unspoiled countryside and the School makes the most of its easy access to the Shropshire Hills, the Welsh Marches and Snowdonia, as well as easy access to Birmingham and Manchester.

International Links

At Shrewsbury School we delight in playing our part in developing outstanding schools around the world. Our first international school opened in Bangkok back in 2003 and has become the benchmark for quality education in the city and the wider region.

So successful has the venture been that we opened a second campus in Bangkok in 2018 to keep up with demand, while at the same time opening a new school in Hong Kong. In 2021, Shrewsbury signed an agreement for a new premium international school launched in Phnom Penh, Cambodia and in 2025 Shrewsbury International School India opened. Plans are afoot to open further international schools in the coming years.

The Shrewsbury family of Schools share commitment to encouraging intellectual curiosity and respecting diversity and have formed a close and effective partnership over the years. We exchange best practice and perspectives from our own operating contexts via regular staff visits and via Governors who sit on the Boards of the international schools. Over the years Shrewsbury UK graduates have visited Bangkok to enjoy gap year opportunities there.
