

Shrewsbury School Foundation Annual Report & Donor Roll

2021 – 2022

Welcome from the Headmaster

The academic year 2021 — 2022 saw Shrewsbury School emerge confidently from the challenges and limitations of the COVID-19 pandemic. The Salopian spirit is as enduring as it is adaptive: this character continues to fuel our day-to-day life as well as our vision for the future. Our mission is to educate and empower the children in our care to flourish in life and contribute positively to the world around them.

We talk of a Shrewsbury Education being 'For Life': both in the sense of equipping our pupils with the aptitudes and values to live fulfilled and successful lives but also to convey the genuine sense of a relationship that lasts for life. The Salopian network, enabled by our online platform Salopian Connect, has global reach and enormous potential to benefit its members and the wider community.

In this spirit of connectivity, we are always happy to welcome visitors to the Schools to sense the vibrant community here and catch up with recent developments. The school has over 800 pupils, with around 80% of them full boarding and around 20% coming from various countries around the globe. Anchored in the heritage and beauty of our distinctive location, we can be forward-looking and nimble. Investing in the site remains important; construction of our fifth girls' house, Queen's, began in February 2022, to open in September 2023.

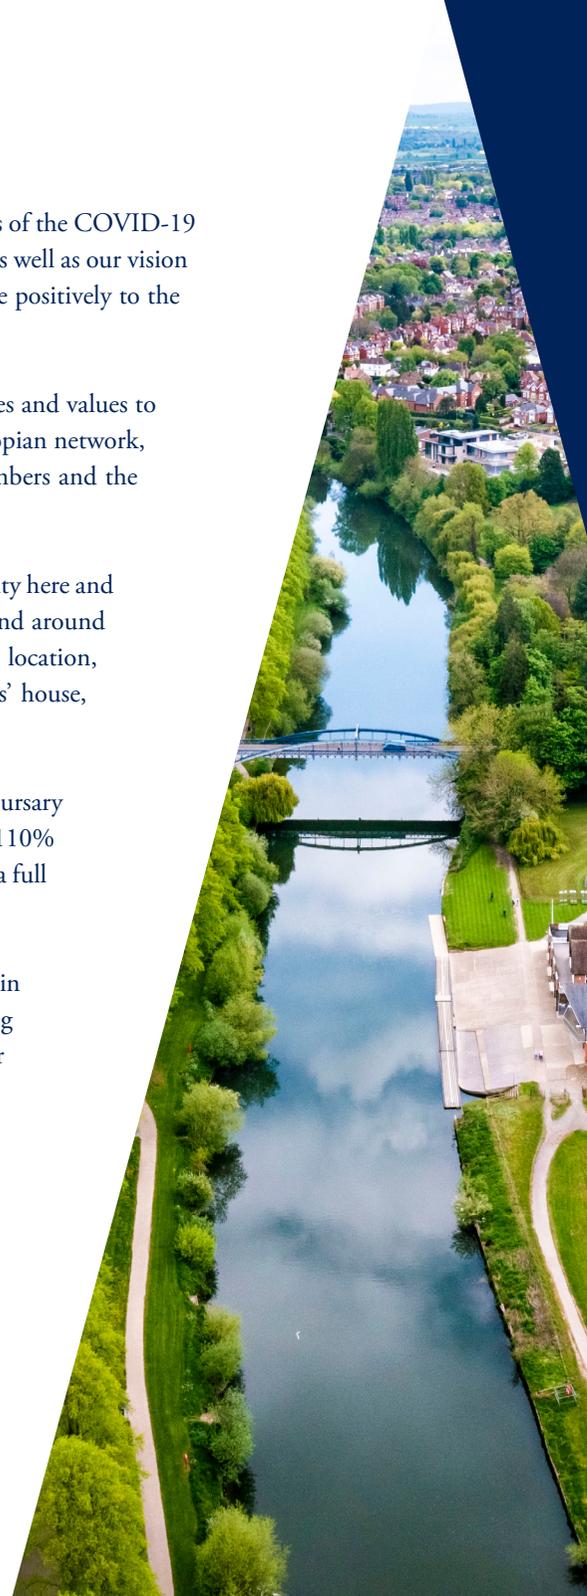

Meanwhile, we remain wholeheartedly committed to widening access to Shrewsbury through our means-tested bursary programme. We have set the target of having 40 pupils in the School on transformative bursaries (75% — 110% remission on fees). We want to be able to walk into any classroom of 20 pupils and know that one of them is on a full bursary of this kind. We are well on the way to reaching this important goal.

The more diverse our community, the fuller the experience for all pupils. And we are serious about our role in extending opportunity and fuelling social mobility. Our award-winning partnership programme provides learning experiences for children from over 40 different state schools; and our historic link with The Shewsy is stronger than ever. This social purpose is part of the DNA of the school.

Although external recognition is not the aim of this work, it was good to see the national publication 'The Week' single Shrewsbury School out as 'Great for Philanthropy' in its 2022 guide to independent schools. The support we receive from our donors helps us to pursue these worthy goals, extending the capacity of this remarkable community to do good. As ever, we are deeply grateful to all those who support our work so generously.

Floreat Salopia

From the Chairman

Thank you so much for all your support of the Shrewsbury School Foundation over the past year.

I am very pleased to report that that our fundraising this year has increased by 65% over the prior year to in excess of £1 million, which is very significant for the School's charitable endeavours, as these funds are directed towards bursaries and the upgrade of school facilities. Unlike many other public schools, Shrewsbury does not have a large endowment fund and is mainly reliant on annual fundraising; the funds that we raise from in-year donations and the receipt of legacies are of vital importance.

During the year, the Development Office was very active with a programme of in-person meetings and events in the UK and abroad. Funds raised came from across the globe, and from donors ranging in age from 21 – 100. As one would expect, these gifts ranged in their size, and cumulatively prove that all gifts matter and that as a global community joined in support of the School great things can, and do, happen.

Our digital outreach programme has continued, with enhanced connectivity and engagement opportunities for our alumni, parents, friends and supporters.

We continue to direct the majority of our fundraising efforts towards bursaries for children who might not otherwise be able to attend the school, as part of our Campaign 2020 – 2030.

If your name is amongst those who have already responded to our call for support, every gift counts, is highly appreciated, and we thank you.

If you are considering supporting this vital work, I invite you to find out more about the Shrewsbury School Foundation in the following pages, and thank you hugely in advance.

From the Director of Development

Seattle, Singapore, and Shrewsbury number amongst the destinations in which I have had the delight of meeting our alumni, friends and supporters this year; a most welcome programming contrast to years in the recent rear view mirror. I thank each and every one of you for the tremendous warmth and generosity of reception you have afforded me, both near and far.

This sibilant trio of locations, although distant in their geographic locations and cultures, share constituents with both a commonality and continuity of interest; that of wishing to engage with and support Shrewsbury School. These wonderful people believe deeply, as I do, in The Salopian Spirit and the capacity of our School to change the lives of people: young and old, directly and indirectly, within and beyond our gates.

That is why I, with my family, are donors to Campaign 2020 – 2030.

The School's commitment to widening access remains our current focus in the Development Office, and is realised through The Means Tested Bursary Fund. This enables a Shrewsbury School education for qualified, bright and capable young people whose financial circumstances would otherwise preclude them from attending. Our global community of donors have, through their outstanding generosity, provided over £1,000,000 of cash gifts to the Shrewsbury School Foundation this year, affirming and advancing our aim. This sum is both a significant increase on last year, and amongst the highest in the history of the Shrewsbury School Foundation to date, with the exception of 2007, in which a transformational planned gift was received from a donor through The 1552 Legacy Society.

Planned gifts continue to be an important component of our income year on year, and we are humbled by the ever-increasing number of donors who choose to make gifts both during their lifetime, and a further commitment to the Shrewsbury School Foundation in their Will. In so doing, they become members of The 1552 Legacy Society,

and we honour and recognise those very special donors later in this publication.

Moreover, in the pages that follow, we are pleased to share our Impact Report, which articulates in narrative, case studies and colour, the real recipients and difference that supporting The Means Tested Bursary Fund has made to the lives of the next generation of Salopians; all global citizens, leaders, voices for change, and forces for good in our society.

It is always a joy to share news of the School today with those near and far who carry its memory, and share in their commitment to its promise for the future. The reputational reach of the School grows stronger by the day, with an ever-increasing number of families choosing to place their greatest trust in our ability to know and nurture young people. My sincere thanks go to all those who have welcomed me into their company and shared their Shrewsbury Stories this year.

To those who are already part of the roll call supporting The Means Tested Bursary Fund, or any aspect of School life, I am most grateful. To those who would wish to add their name to this list and join our global community of donors, may I be the first to say both 'thank you' and 'welcome'.

We remain motivated by your unwavering support, engagement, and generosity which enables Shrewsbury to remain strong as a community united in purpose, and with clarity of vision for its future.

Campaign 2020 – 2030

A Vision for Shrewsbury's Future

The Means Tested Bursary Fund

With its auspicious founding by Royal Charter in 1552, and subsequent identification as one of the 'Great' Public Schools by the Clarendon Commission in 1868, it should come as no surprise that the foresight of the School brought about the establishment, in 1965, of the Shrewsbury School Foundation. It is thought to be the first such charitable foundation associated with a British Independent School, and to this day, the Foundation exists to create, support and enhance the provisions of Shrewsbury School, including its commitment to the provision of Means Tested Bursaries.

Following the success of last year, we were humbled by the generosity of our donors, enabling us to raise even more this year, and serving the aspiration to increase the number of young people attending the School who would be able to take full advantage of the unique opportunity a Shrewsbury education can provide, were it not for their financial circumstances. Moreover, with a strengthened focus on social responsibility, we are seeking to increase the number of Transformative Means Tested Bursaries the Shrewsbury School Foundation is able to offer.

Our definition of 'Transformative Means Tested Bursaries' is those which enable young people requiring 75% – 110% remission of fees to attend the School.

Fundraising continues to form a vital part of the School's capacity to deliver its mission, influencing positively a number of the School's strategic objectives to 2030. Our ten year, global Advancement strategy is an ambitious campaign, with a focus of supporting Means Tested Bursaries, whilst also welcoming some new projects alongside each year. We are progressing with confidence toward the School's commitment to meet its strategic objective of increasing the number of Transformative Means Tested Bursary recipients to a target of 40 pupils annually by 2030.

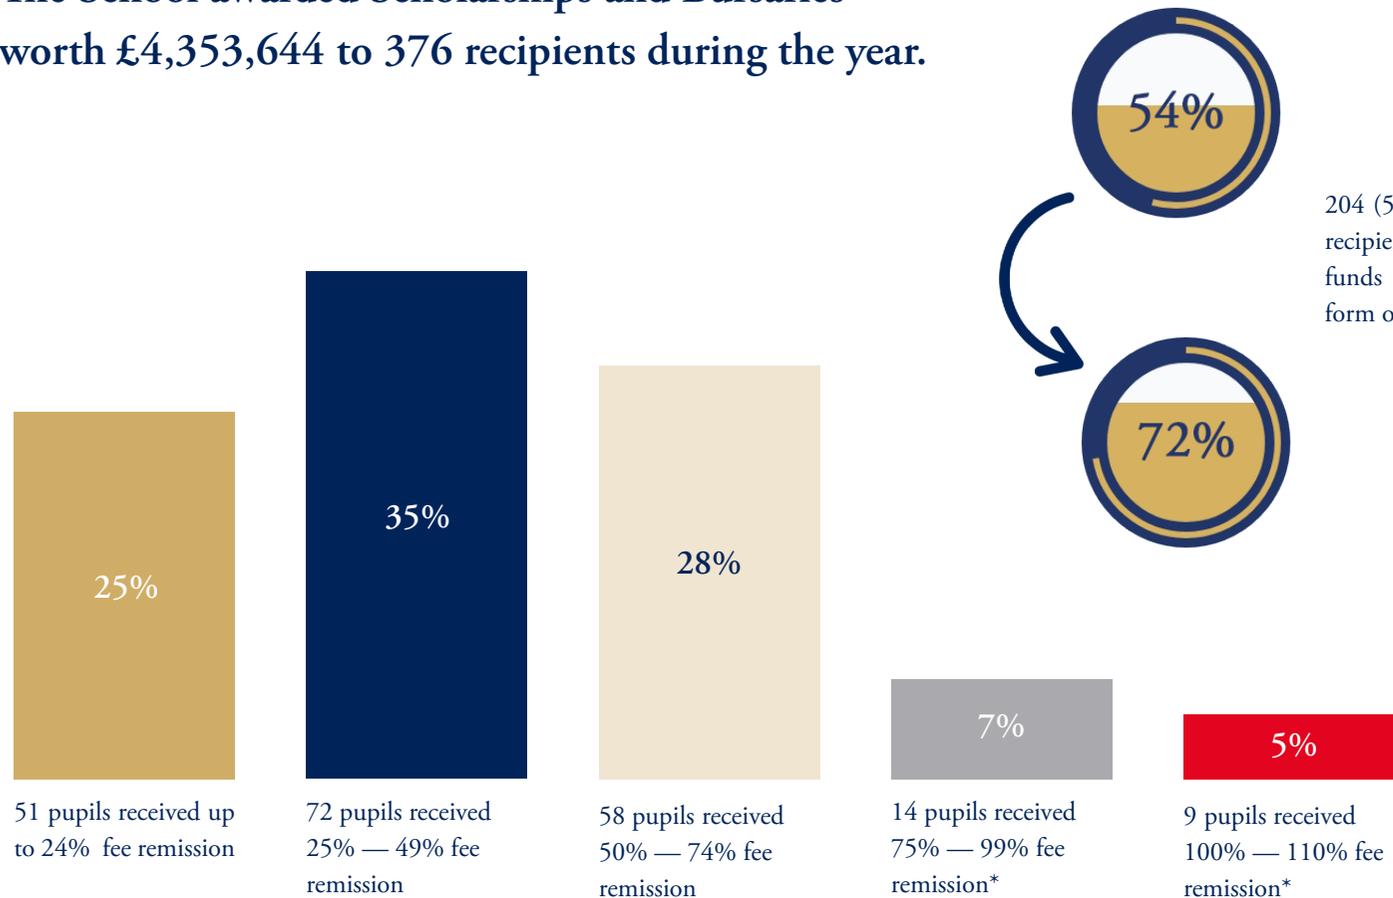

Impact Report

A Shrewsbury education does not simply or solely provide impact to its recipient, and here we tour the experiences and first-hand accounts of a small sample of recent alumni who have been awarded Transformative Means Tested Bursaries (75% — 110% remission of fees).

As you would expect, they write and speak the Salopian Spirit, but beyond that, it is overwhelmingly apparent how Shrewsbury has moved its spirit into their lives, and the lives of those around them, today and forever.

2021 – 2022 Overview

The School awarded Scholarships and Bursaries worth £4,353,644 to 376 recipients during the year.

* these awards meet our definition of Transformative Means Tested Bursaries

George Staden (The School House 2020 — 2022)

Thanks to Shrewsbury School I am rowing at Leander Club, Henley-on-Thames, as a full-time Athlete. I have aspirations to go on to a University in The United States of America next.

The Bursary enabled me to go to Shrewsbury School and has made me a more independent person. It was the first time I was away from home for long periods of time and I have made friends with people, mainly at the Boat House (as that's where I was a lot of the time!) but also from my Classes and in the Boarding House.

Morgan Bevans (Ingram's Hall 2018 — 2020)

After attending Shrewsbury I went to Cardiff University to study Business Management, and was picked for the UCCE Cricket Programme, winning the BUCS championship in my first year.

The Bursary I received from Shrewsbury has had a major impact on my life. I am still in contact with my Housemates, and they are some of my closest friends.

As a Sports Scholar, the facilities for Cricket were second to none and the ability to utilise this experience in my life has been brilliant. My future ambition is to be a Professional Cricketer, or to take up a Career in Business.

Roy Chatterjee (The School House 2009 — 2011)

After school I went to The University of Edinburgh obtaining an MA in German & Philosophy. I played for the 1st XI Football Team in Edinburgh, representing the University in the BUCS Championship, the Lowland League and also played in Round 1 of the Scottish Cup for the University Team. I then went on to do an LLM (Master's in Law) at The University of Wolverhampton.

Today, I work as a Technology Consulting Manager at Accenture, based in Codsall, in South Staffordshire.

The years I spent at Shrewsbury were the best two years of my life. I was able to pursue my love for Sport, whilst also still maintaining a high level of Academia, and I wouldn't have been able to do it without the Bursary that I was so incredibly lucky to receive.

The diverse range of activities that a life at Shrewsbury provides (from the range of subjects and facilities, to Chapel, to weekend activities, and Sport) is second to none, and it set me up for where I am now. Furthermore, the way you are treated as a pupil helped ground me for my current surroundings in the wider business world.

I made friends for life, especially within my Boarding House (The School House) and am now reuniting with them on a fairly regular basis as we are getting older, progressing through life — people are starting to get married!

Gavin O'Dwyer (Moser's Hall 2014 — 2016)

After leaving Shrewsbury I attended the Queen's University Belfast where I obtained a Degree in Architecture. In my free time at Queen's I continued Rowing and also began Coaching. I now live in Dublin where I work as an Assistant Project Manager. I am still Rowing and remember my time at Shrewsbury fondly.

Having grown up in Chester, and being involved in Rowing since I was 11, I was always aware of Shrewsbury School through attending many Regattas where the RSSBC were also competing. The Margaret Cassidy Scholarship for Sporting Excellence was well known to me and my peers, with a regular advertisement for the award appearing in the British Rowing magazine. I applied on a whim without much belief in being successful. It was much to my surprise that I was awarded the Scholarship and the opportunities it would in turn provide me with. Without the Margaret Cassidy Scholarship for Sporting Excellence, I would have never been able to attend Regattas such as Head of the Charles, and Henley Royal Regatta, or have been able to compete in events such as the Championship 8's at the National Schools Regatta. Having left Shrewsbury 6 years ago, I have still to use professional rowing equipment as high-end as that the school provides.

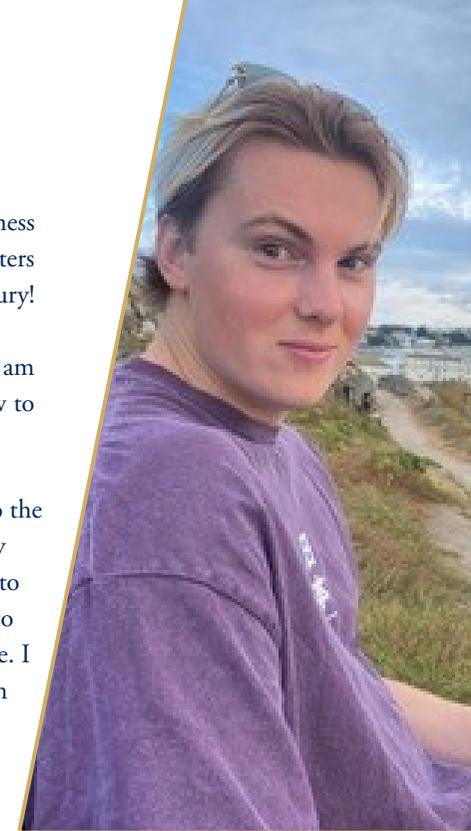

George Newton (The School House 2015 — 2017)

After Shrewsbury, I attended Keele University graduating in International Business Management, and then went on to Bath University to study Applied Economics at Masters level. I have to say my academic capabilities drastically improved during my time at Shrewsbury!

After graduating from Bath University I decided to take the leap to the Isle of Man where I am an Auditor and studying to become a Chartered Accountant. Despite being relatively new to the island, I have already made it my home and am thoroughly enjoying my time here.

I was so lucky to attend Shrewsbury and I still feel in debt to the School for giving me the opportunity. It has opened so many different doors and I proudly say that I am an Old Salopian to anyone who asks. I would certainly recommend the School to everyone because it will change your life like it changed mine. I look forward to meeting many of my fellow Old Salopians in the future throughout my life.

Our programme is building year on year...

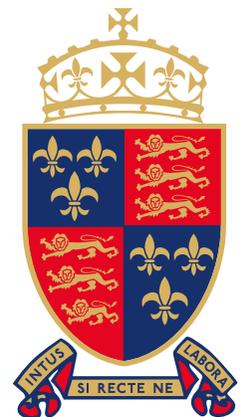

This year the Shrewsbury School Foundation has been able to grow the number of Means Tested Bursary recipients it supports by 12.5%.

Overall, we have increased Means Tested Bursary recipients by over 5% and have increased funding of Means Tested Bursaries by 15%.

Our definition of 'Transformative Means Tested Bursaries' is those which enable young people requiring 75% — 110% remission of fees to attend the School.

It costs £1 million to endow a Transformative Means Tested Bursary, providing the opportunity of Shrewsbury: For Life, in perpetuity.

We are progressing with confidence toward the School's commitment to meet its strategic objective of increasing the number of Transformative Means Tested Bursary recipients to a target of 40 pupils annually by 2030.

Campaign 2020 – 2030

Donor Roll

This phase of the campaign is focussed towards Means Tested Bursaries, affirming our commitment and efforts in this vital area, and enabling the School to welcome as broad, socially diverse and representative a group of young people as possible.

The campaign period is 01.08.20 — 31.07.31, and we took the opportunity to review and reshape our Giving Clubs at the start, to terrace the recognition of our donors throughout.

Our most honoured donors are invited to join a Leadership Circle, in recognition of their commitment.

With this Donor Roll, we recognise all those who have made a monetary gift, and / or quantified monetary pledge to the School in the period 01.08.20 — 31.07.31.

In placing donors within Giving Clubs, the sum of their monetary gifts and pledges is considered including any Gift Aid or Gift Matching component, where applicable. Similarly, where donors have made quantified monetary commitments to The 1552 Legacy Society in their Will, these are included as part of their placement reference within Giving Clubs.

This Donor Roll will be rendered both digitally, and in due course, in a permanent installation at the School.

Within Giving Clubs, donors are recognised in the format: preferred name, surname, and where applicable their House and Years.

Donors are arranged alphabetically, by surname.

Donors who have chosen to make their gifts / pledges anonymously are rendered as such. Where applicable, their House and Years are stated, unless requested otherwise.

Furthermore, on request, families and households are recognised with grouped names, as are the citation of titles, initials, and both pre and post-nominals.

Olim Cives, we recognise donors who are now deceased, including those who have given anonymously, in italics.

Errata, whilst every effort has been made in curating this Donor Roll we apologise for any errors or omissions.

The 1552 Legacy Society

Making a planned gift in your Will, large or small, establishes a living legacy and a benefit to young people and the life of Shrewsbury School reaching beyond your lifetime – a bond which lives in perpetuity.

We will work in partnership with you to direct your support in precisely the manner you wish, and provide you with the opportunity to connect with the life of the School today joining our global community of alumni, parents, friends and supporters.

The Shrewsbury School Foundation is a charity registered in England and Wales (number 528415). All legacy gifts made to the Shrewsbury School Foundation are exempt from UK Inheritance and Capital Gains Taxes.

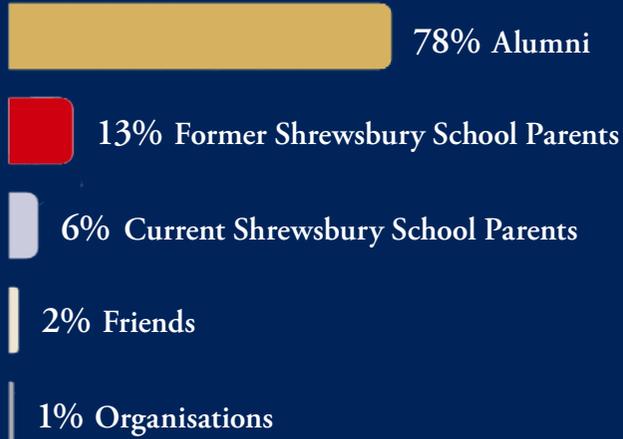

Your Estate can also pay inheritance tax at a reduced rate of 36% on some assets if you leave 10% or more of its 'net value' to the Shrewsbury School Foundation in your Will (the net value is the Estate's total value minus any debts).

We recognise legators during their lifetime through membership of The 1552 Legacy Society, so called in recognition of the School's year of foundation by Royal Charter.

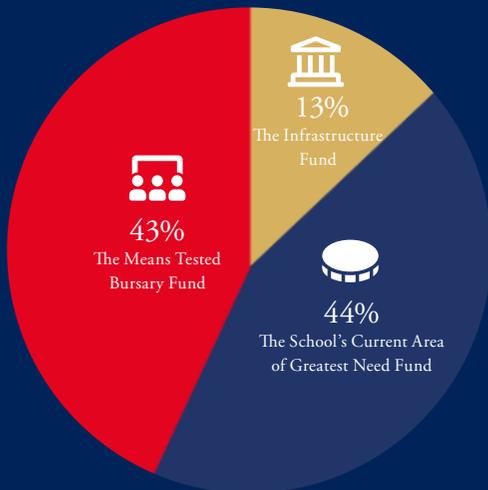

Please contact the Development Office for further information, and to arrange a private consultation.

Ways to Give

Campaign 2020 – 2030

In joining our global community of donors you may prefer to make an individual gift, an ongoing (regular) gift on a monthly, quarterly, six monthly, or annual basis, or give in other ways.

It costs £1 million to endow a Transformative Means Tested Bursary, providing the opportunity of Shrewsbury: For Life, in perpetuity.

In addition to supporting the School today, a number of our donors also choose to make a planned gift to the Shrewsbury School Foundation in their Will, and in so doing, become an honoured member of The 1552 Legacy Society.

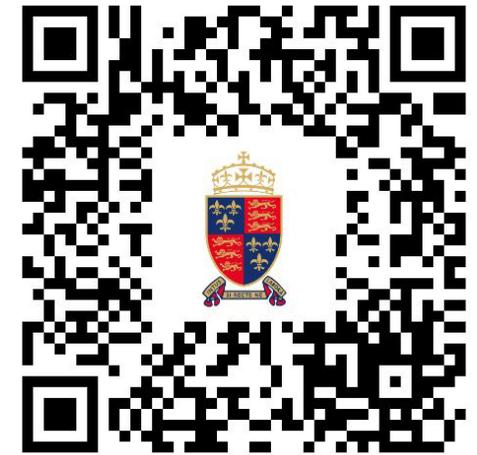

We are also pleased and conversant in the receipt of gifts of shares, securities and major funds, charitable remainder trusts, foundations, individual retirement accounts, property, possessions, and investments of other kinds.

Please contact us to discuss any form of giving to the School, and we will be delighted to assist you.

We are presently directing support towards three funds:

- The Means Tested Bursary Fund
- The Infrastructure Fund
- The School's Current Area of Greatest Need Fund

As a registered charity, where possible, we are able to claim Gift Aid on donations, and offer Gift Matching and similar enhancements.

We are pleased to provide tax deductible gift receipts for UK, offshore, and international jurisdictions.

Where applicable, when the fundraising requirements of specific projects are complete, donors' subsequent support is automatically transferred to The School's Current Area of Greatest Need Fund, unless they specify otherwise. Likewise, when we receive donations without specific instructions regarding Fund direction, we route this support to The School's Current Area of Greatest Need Fund.

 We welcome donations in United States Dollars. The Shrewsbury School Foundation is in partnership with the British Schools & Universities Foundation (BSUF). Since 1965 the BSUF has been supporting School and University fundraising in the Commonwealth through tax-effective giving in the United States of America. The BSUF is a non-profit, tax-exempt foundation managed by volunteers who serve without compensation of any kind. Its operating expenses and scholarship awards are supported by income from investment of its own funds, by member dues, and by contributions from friends. The Shrewsbury School Foundation is an approved institution of the BSUF. The Shrewsbury School American Foundation leads our dedicated programme of engagement with Alumni, Parents, Friends and Supporters in The United States of America.
